

Casual Throw Furniture Cover

Instructions for SOFA, LOVESEAT or CHAIR
It's as Easy as 5 Steps to a SURE FIT

1 DRAPE
cover over the furniture starting from the center and moving around to the sides.

2 PULL DOWN.....
fabric so it is evenly distributed on front and sides. It's important that the drape is centered.

3 TUCK ARMS and SEAT.....
evenly on all sides. Tuck enough fabric to keep the cover securely in place. Work the fabric in so the bottom just touches the floor on front and sides.

4 SMOOTH CREASES.....
and adjust all around to contour shape. Smooth out excess fabric by tucking it into the creases and adjusting the folds to drape evenly.

5 FINISH.....
should be smooth and balanced all over. It's "sure" to make a positive impression.

NOTE: same application applies to sofa, loveseat and chair.
